

## **WELCOME ABOARD!!!**

### **DESCRIPTION OF SERVICE:**

Lines 71, 72, 73, 74, 75, 76, 77, 78 and 79 are special limited-stop and express commuter bus routes, operating between the Presidio of Monterey and various other locations as indicated. These bus routes are funded entirely by the Federal Mass Transit Benefit / Transportation Incentive Program through the Department of Transportation.

### **HOW TO READ THIS TIMETABLE:**

Please review the bus timetable which lists every bus stop along this route. Find the nearest bus stop to your starting point. Read **ACROSS** to find the desired time you would like to board and read **DOWN** to determine the duration of your travel between major bus stops. Please note that not every bus stop displays a departure time. You can estimate the time the bus reaches your stop by subtracting (or adding) the minutes from the closest timepoint.

### **HOW TO RIDE:**

Look for the nearest MST bus stop in your area. Wave your hand to let the bus driver know you would like to board this particular bus. When you wish to deboard the bus, please pull the yellow cord about one block before the stop. Please have your MST pass, bus transfer or exact fare ready when you board the bus.

### **BUS STOP SIGNS AND BUS SIGNAGE:**

Each MST bus and bus stop sign will display a route number and final destination. For example:

**71-PRESIDIO EXPRESS**

If you have any questions about where the bus is traveling, please ask the bus driver for assistance.

### **MISCELLANEOUS INFO.:**

Some MST buses have wireless access.

For your convenience, all MST buses are equipped with a two-position bike rack.

Military dependents are eligible for a single-zone monthly pass at a reduced price. Please contact MST at 831-393-8128 or the Presidio of Monterey for more information.

MST encourages customer comments and suggestions. Please call the MST hotline number, or you can call the MST Planning Manager directly, at 831-393-8128.
